**THE WORLD'S FIRST ANIMATED
REALITY SERIES — IS BACK!**

FOURTEEN OF THE CHARACTERS YOU MOST LOVE AND HATE RETURN TO THE ISLAND, TO COMPETE IN SOME OF THE MOST DAUNTING CHALLENGES FROM PAST SEASONS... WITH A SPECIAL TWIST. LOVES ARE REKINDLED, FRIENDS ARE REUNITED, AND HATRED BLOSSOMS LIKE A RABID, MAN-EATING FLOWER!

As always each episode ends with one team member being eliminated by their peers, but this year being sent home early is more humiliating than ever; travel is being provided by The Flush Of Shame. Uh huh, it's a gross as it sounds!

In an epic battle of good vs. evil, the "Heroic Hamsters" and the "Villainous Vultures" compete in some of the most daunting, dangerous and of course disgusting challenges from seasons past! This promises to be the toughest season ever with spine-tingling twists, explosive challenges and bust-a-gut laughs.

And the All-Star contestants are: the prettiest girl in the camp Lindsey, ultimate jock Lightning, take-no-prisoners Jo, sweetheart Sam, queen bee Heather, obsessive uber-fan Sierra, Duncan the delinquent, Cameron the bubble boy, type-a Courtney, troublemaker Scott, loner Gwen, small town girl Zoey and multiple personality Mike and a super-secret-surprise contestant that will keep you guessing!

WITH THE CASTS DIVERSE QUIRKNESS AND ECCENTRICITIES, THE CONTESTANTS ARE IN IT TO WIN IT AT THE HAND OF BACKSTABBING, CONNIVING SCHEMES AND EVEN LOOOVE!?!

HEROES VS. VILLAINS

Chris brings back players from both casts for an All-Star season, and the Heroic Hamsters (Courtney, Lindsay, Sierra, Mike, Zoey, Cameron and Sam) battle the Villainous Vultures (Heather, Ezekiel, Duncan, Gwen, Lightning, Scott and Jo) for a night in the luxurious new Spa Hotel.

EVIL DREAD

The players gather on the beach to dig up 3D puzzle pieces and use them to assemble an international landmark. But that's easier said than done when Alejandro can't use his legs, the rest of his Villainous team refuses to work together, and the Heroes struggle to keep up as Sam flails and a head injury makes Mike lose access to his alternate personalities.

SAVING PRIVATE LEECHBALL

The Heroic Hamsters and the Villainous Vultures race into the forest to collect unusual paintball weaponry and use it to pick off the other team – last team standing wins! But a straightforward challenge becomes twisty when a Hero makes a villainous move, and a Villain acts decidedly heroic...
